Touristic Field, Polis Chysochous, Paphos

The properties are two continuous fields which are located in Polis Chrysochous (Troulia), Paphos.

As a single unit, the properties have access from a registered public road which abuts along the entire length of the western border of parcel 230 with a frontage of c.143m as well as an unregistered public road along the south border with a frontage of c.53m.

They are located approximately 380m from the beach. They have a rather regular shape with a smooth ground surface and offer a nice view of the sur...
